BLACKBOARD K-12 STARTER EDITION

Give your district a taste of what a powerful e-Learning community can do with the Blackboard K-12 Starter Edition.

Blackboard considered the most pressing issues in K-12 today and built a solution which helps schools and districts improve their situation with sensible technology. This quick-start program gives your schools an opportunity to:

- Sample Blackboard's most powerful and easy-to-use K-12 capabilities
- Easily share classroom materials with your entire community
- Get parents involved with their children's learning
- Provide access to discussion boards that are controlled and moderated by teachers
- Offer innovative testing methods such as self-assessments online or multiple attempts if necessary
- Take advantage of secure, around-the-clock, technology hosting
- Easy and affordable training options so users can get started right away
